Dear F.I.T. Family,

Faith International Tabernacle (FIT) extends an invitation to you and/or your company to become a sponsor of our 2024 Building Fund Initiative. Faith International Tabernacle is a holistic place of worship and was founded in 2021 by Pastors Lorenzo and Claressa Givens after being given a vision for their community to be in intellectually, physically and spiritually F.I.T.

The Pastors were led to seek out other like-minded families who shared the same inspiration to see their community healthy in all areas of life. Upon meeting, praying and asking for God's guidance, four families came together and incorporated F.I.T., a non-profit 501(c)(3) organization.

F.I.T.'s mission is to share the gospel of Jesus Christ to inspire others to grow spiritually, physically, and intellectually in order to equip them to go into the world to reach others. F.I.T.'s environment leads people to make a lasting difference in their life, their community, and the world. We want to be "Holistically Fit".

Within the first year of operation, F.I.T. has been able to:

- Host several youth events to enrich young people with The Word of God and allow a safe space to have fun such as Skate Nights, Game Nights, and Movie Nights.
- Partner with Texas Children's Hospital to donate Bears for patients.
- Partner with Humble's ISD's newest Middle School to Launch "ARMS of Faith", a Christian Club for Middle School students.
- Partner with H.A.A.M. (Humble Area Assistant Ministries) to donate books for children in need.
- Hosted "The FIT Circuit"- Where people are able to work out in the community with certified trainers at no cost.
- Give to several families in difficult seasons in their lives.
- Partner with community schools to serve breakfast for teacher appreciation.

In order to effectively serve the community and fulfill the vision, Faith International Tabernacle is in need of a larger space. The goal is to effectively incorporate all three aspects of the vision in one space:

- Fit in our Faith by following Godly Principles (1 Timothy 4:8)
- Fit in our bodies by training (Romans 12:1)
- Fit intellectually, teaching all to be lifelong learners (2 Tim 2:5)

F.I.T.’s Goals are

- Have a building that incorporates all three areas-Gym-Library-Sanctuary
- Have a place that is suitable for before and after school care
- Reduce the amount of health conditions by having a place to be physically fit without the burden of cost
- Host literacy nights to promote reading across all grade levels

What is an ambassador?

An ambassador is a person who acts as a representative or promoter of a specified event. FIT needs some ambassadors to help fund the project to acquire land/new space for The Lord’s vision, through FIT, to truly unfold.

F.I.T. ambassadors are members that are willing to donate \$1,000 above their tithe and offering.

If providing sponsorship for Faith International Tabernacle (F.I.T.), as an ambassador, is an option for you and/or your company, please take some time to review the payment options included with this letter to identify an option that is comfortable for you and/or your company. If you choose not to be a FIT Ambassador, we greatly appreciate you continuing to be faithful in your tithe and offering.
